Instructions and Important Notes About Purchasing Textbooks

VERY IMPORTANT: If your course professor requires that you purchase a copy of a course textbook **“WITH CONNECT”** or **“With MindTap”**, make sure that you are purchasing the correct version of the textbook.

PLEASE NOTE: Used textbooks normally do not include access to the Connect or MindTap software.

Look for the tabs on the linked webpage and choose “Connect”.

See:

If your course does not have **“With Connect”** next to the textbook title below, Connect is not required. Same for MindTap.

When ordering and purchasing textbooks from the FAU Bookstore, please pay close attention to the section numbers of your courses.

To locate your textbooks on this PDF list, use the Find feature (Ctrl+F or Command+F) and search for your course number(s).

Contact execedops@fau.edu with any issues regarding textbooks for these courses.
